Hi Ari,

I left you a voicemail. I'm so sorry to hear that you are resigning. But I'm glad to hear that Butter Cake Shoppe is doing well. I totally understand that business always comes first and know that this would have been a hard decision to make.

You have been a very a supportive and encouraging board member to have on this board and you have given your all to the constituents of the Los Feliz Village BID and I appreciate your assistance in the past.

You will be missed and your team spirit and team work will leave a void for me and I know for everyone else on the board.

I will announce it to everyone at our board meeting on March 8, 2017.

If I can ever be of any assistance to you and your business please know that you can always reach out to me or our team.

I'm still trying to get the contact info for the space on Hillhurst. I also left a message for Liza but haven't heard back. From what I understand from her the landlord of her last shop location advised her that she has to find the new tenant.

Again good luck with all you do and I thank you for everything you have done.

Respectfully,

Rafik Ghazarian  
President  
Los Feliz Village BID

Hi Rafik,  
Attached is my letter of resignation. I am so sorry but I am very overwhelmed by being a two man team at Butter, and until we are able to hire on more hands and take the business to where we want I can no longer dedicate my time on the board. Hope you are able to understand. Thank you.  
Sincerely,  
Ari
